

2018 — ABWM Opens Registration for Upcoming Fall Women's Conference on Self-Care and Wellness

May 15, 2018

American Baptist Women's Ministries is collaborating with American Baptist Women in Ministry (ABWIM) to host a wellness retreat in September for women in and around Rhode Island. The Harvesting Shalom conference is inspired by the biblical passage Acts 17:28, which says, "In Him we live and move and have our being". Attendees will learn to incorporate their faith in the pursuit of holistic wellness, and consider how their wellbeing affects their faith.
