May 3, 2018

American Baptist Women's Ministries is hosting a free one-hour webinar about dating violence on Thursday, May 10 at 9:00 p.m. Eastern (6:00 p.m. Pacific). The Dating Violence Across the Ages webinar will discuss issues of dating violence experienced by women of all ages. All women across the country are invited to register for this educational webinar, which will cover information about abusive relationships experienced by women who are just beginning to date, as well as older adults who are returning the dating scene after a divorce from or death of a spouse. Attendees will learn how to identify early signs of abusive relationship dynamics, and how to properly respond if they suspect someone is being abused.
