

2019 — ABWM to Host Free Webinars for Women and Girls

VALLEY FORGE, PA (ABNS 5/20/19)—American Baptist Women's Ministries will host "Avenues to Wholeness", a free Fall webinar series starting Thursday, September 5, 2019, at 9:00 p.m. EST/6:00 p.m. PST, and every two weeks, as follows: September 19, October 3, October 17, October 31, and November 14. American Baptist Women's Ministries has selected "Sisters Seeking Wholeness" as their ministry focus for 2019–2021. This webinar series will equip women and girls with the tools and information they need to achieve wholeness in every area of their lives (spiritually, emotionally, and financially). The series will feature a variety of wellness experts including Assistant Professor of Pastoral Theology and addiction expert, Rev. Dr. Sonia Waters and Christian Professional Life Coach, Elaine Cody. Topics will range from spiritual direction to financial & estate planning to health and wellness.

Over the next two years, "Sisters Seeking Wholeness" will enable ABWM to address relevant social and spiritual issues facing women, young adult women and girls today. We seek to foster a space where women, young adult women and girls feel safe, encouraged, loved and empowered to boldly live into the fullness of who God created them to be. We hope that with these resources women and girls can experience the fullness of joy. "We have prayerfully chosen all of our speakers and believe that their individual expertise will increase our sisterhood's capacity to attain wholeness. In John 5:6, Jesus asks the question, 'Do you want to be made whole?' If your response to Jesus is 'Yes' then you do not want to miss these free webinars." says Rev. LaThelma Yenn-Batah, associate executive director of American Baptist Women's Ministries.
