

RESOURCES:

Application for Young Adult Women's Ministries Advisory Team

American Baptist Women's Ministries is a Christ-centered non-profit organization, with a mission to encourage and empower women and girls to serve God. The organization is related to American Baptist Churches USA, and each national leader is an active member of an American Baptist church. The Young Adult Women's Ministries Advisory Team (YAWMAT) serves as an ad-hoc team that gives input into AB Women's Ministries ministry with young adult women (defined roughly as 18-35). It is led by the national coordinator of young adult women's ministries for AB Women's Ministries.

Women interested in volunteering their gifts and skills by serving on the YAWMAT need to complete the application form below, which will remain on file for consideration annually for up to three years. These forms are reviewed by the coordinator of young adult women's ministries and the executive director of American Baptist Women's Ministries. The coordinator and executive director will interview selected candidates and check references as positions become open. The YAWMAT is not a nationally-elected team but members are appointed by the national president of AB Women's Ministries. Once candidates are selected by the coordinator and executive director, they are recommended to the president for appointment. Once the president appoints a candidate, she then joins the team.

This organization benefits from the leadership of volunteers who are committed to the mission and purpose of American Baptist Churches USA and American Baptist Women's Ministries, have expertise in needed areas, demonstrate teamwork, and contribute financially to the organization's mission.

To Apply

Complete the application form below, send a current resume to info@abwomensministries.org, and have three references complete the reference form.
