

RESOURCES:

Human Trafficking Awareness Day

Use this opportunity to raise awareness in your women’s and girls’ ministries, or in your congregation or community, about the tragic issue of human trafficking. AB Women’s Ministries has been engaged in raising awareness about human trafficking, particularly sex trafficking, for many years, and continues to provide grants through its [Women and Girls Mission Fund](#) to ministries with women and girls that focus on empowerment and the prevention of exploitation.

Consider taking an offering during your observance for the [Women and Girls Mission Fund](#), to help support ministries engaged in prevention and ministry with at-risk women and girls, survivors of trafficking, and advocacy.
